Inks over other artists pencils or with Sal Velluto - please email me directly at dmralmond@gmail.com with a jpeg of the image for a quote and info. For inked commission samples, click [HERE](#) .

Don't want your original pencil pieces touched? I can ink them in blueline on another board for a nominal fee.

(*NOTE: in October ComicArtHouse ceased repping Bob after many years of fine work so there's no need to go through him anymore.)
